Hi Denise,

Just checking to see if you were ok with the email summary we sent. I'm happy to discuss by phone too, if that's your preference.

Hope all is well!

Elena

Thanks, Elena! I saw this come in. I am actually watching over the site in Becky's absence. I reviewed the same data and agree with Jill's assessment. I'll send Denise a note to that effect.

Hi Chloe,

I see Becky is still out. Just wanted to make sure someone in your group sees the email re: our review of the latest Cabo Rojo GW Contamination site data. You were cc'd on the email. Let me know if you need me to re-send.

Thanks,

Elena
